Sir,

SE¼ 15-4-12-W. 4th M.
Your reference Board Order 1643.

On the 16th January, 1930, Order-in-Council P. C. 24108 was passed ratifying the recommendation of the Adjustment Board and a notification sent to the interested parties. It will be noted that the Manufacturers Life Insurance Company had undertaken foreclosure proceedings which had been carried out to the extent of obtaining the Vesting Order, but the same at that time had not been registered. The recommendation of the Adjustment Board stipulated that the indebtedness be written off and when the first mortgagees took title.

In view of the liens being joint liens in which the Province is more directly interested, would you be good enough to advise me if the records show that title has been obtained by the first mortgagees, so that our records may be closed out.

Re: Account of Charles E. McGillen
N.E. 14-4-12-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $33.00 were advanced to Charles E. McGillen on the security of the above mentioned land. A payment of $20.00 was received in 1917 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 15.37	$ 28.00	$ 43.37

The N.E. 14-4-12-W4 was formerly the homestead entry of the debtor on which security the advances of fodder and relief were obtained in 1915.

According to An Abstract of Title dated the 27th of April, 1953, the land now stands in the name of a Mr. Cle Tollop Johnson, of Goddard, Alberta, and there is no record of the advances made to Charles E. McGillen in 1915 having ever been registered against the land.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS [illegible] that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ADOPTED.

Dear Sir:

Re: Harry H. Dean

Joint Relief Advances

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land:

March 1,1920	$283.70
March 1,1919	251.65
	535.35
Interest December 31st,1951	$ 1,210.26
	1,745.61

The debtor has approached this office through solicitors with a request that a compromised settlement be granted and has tendered the sum of Six hundred dollars ($600.00) in satisfaction of the above account.

I am advised that the debtor is 72 years of age and suffers considerably from ill health and spent considerable time in the hospital in 1951.

The land is said to be of great value being assessed at One thousand and ninety dollars ($1,090.00) for taxation purposes and being situated in a township which has been declared eligible for awards under the Prairie Farm Assistance Act 9 years out of the 13 years in which awards have been granted. Due to the debtor's age and health he finds it necessary to hire all of the work done and in each of the last 2 years when better than average crops were realised he received approximately Eighteen hundred dollars ($1,800.00) net from the operation of the farm.

In view of the circumstances set out it is my opinion that the sum offered is a fair and reasonable settlement and I accordingly recommend that the balance of the account be written off and the liens discharged.

Provincial Seed Grain Advances in the principal sum of Five hundred and thirty-four dollars and forty-five cents ($534.45) have already been cancelled together with accrued interest.

Yours very truly,

Board Orders 4941 and 2448.

Your letter of January 22nd, 1932, addressed to Mr. Lorree, and the copy of that letter addressed to Mr. Hiltmott have been forwarded to me for attention.

Please be advised that the Director's report numbered 2448 is in error in that it quotes the Relief advance of March 1st, 1920, in the amount of $505.00. You are hereby authorized and requested to substitute for the figures $505.00 given in Board Order #2448 in connection with the Relief Lien of March 1st, 1920, the figures $505.80.

Board Order #4941 lists the correct charges.

Yours very truly,

Your reference D-XI-H-3.

Kindly be referred to your report addressed to Mr. Fream under date the 3rd July last. It is noted therein that in the joint advances for relief made on the 1st March, 1920, this report quotes an item of $505.80, whereas in a previous report made in this case by you on the 31st December, 1929, apparently the same lien was quoted at $505.00. Would you be good enough to advise which is the correct amount that the necessary amendment may be made.

I am forwarding a copy of this communication to Mr. E. C. Hickmott, Officer in Charge, Seed Grain and Relief Branch, Department of Municipal Affairs, Edmonton, Alberta, in the event of his office being required to verify the correct amount.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 17, 1955, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

BOARD ORDER
No. 11276

Dear Sir:

Re: NW¼ 25-6-11-W.4th
Laurits A. Olsen,
Joint Relief Advances

The above named party obtained Joint Relief Advances for which liens were registered against the title to the above described quarter.

March 1, 1930	$ 349.30
March 1, 1932	61.10
	$ 410.40
Interest to 31/3/55	1017.90
	$1428.30

This land was located in the former Municipal District of Burlington No. 34, and the taxes were not paid, with the result that a tax caveat was filed in October 1932, and the Munic' ality finally acquired title on February 2, 1938, under the provisions of the Tax Recovery Act. The land is presently situated within the boundaries of the Municipal District of Forty Mile No. 2, and the Municipality have received an offer of One Thousand ($1,000.00) dollars cash for a clear title. The Secretary-Treasurer has reported that arrears of taxes at the present time amount to Five Thousand, One Hundred and Thirty-Two dollars and Ninety-Seven cents ($5,132.97), and has made application for a compromise settlement of the Joint Relief Advances Account.

cont'd ...

In view of the fact that there was no sale of the parcel made for such a great number of years, it would appear that it is not a very desirable piece of property, and the offer received by the Municipality would seem to be a fair one under these circumstances.

In accordance with the established policy, the Secretary-Treasurer was advised that a pro-rata distribution of the sale proceeds of One Thousand ($1,000.00) dollars would be considered a satisfactory settlement of the Joint Relief Advances account, and on this basis, the distribution of the payment after allowing for a nominal charge of Five dollars ($5.00) for transfer, costs would be:

Tax Arrears	$778.40
Joint Relief Advances	216.60
	$995.00

Payment of Two Hundred and Sixteen dollars and Sixty cents ($216.60) has been received on this account, and I would recommend that upon application being made to the account, same be adjusted so that it will stand paid in full and the liens be discharged.

Yours very truly,

S. Cherkas,
CHIEF COLLECTOR.

Sir,

With reference to your letter of the 14th instant, File No. 177982, in relation to the abandonment by Mr. Frank Robinson of the fractional N.E.¼ of Section 14, Township 44, Range 1, West of the Fifth Meridian, I beg to inform you that it has been decided to have this land made available for homestead entry by location in the usual manner and to request you to take the necessary action.

Sir,

I beg to acknowledge the receipt of your letter of the 31st ultimo, file 894-1, relating to the homestead entry you granted to Mr. Arthur L. Harden for the South East quarter of Section 16, Township 38, Range 18, West of the 4th Meridian on the 18th of last month.

It is noted that on the 24th December last Mr. Harden applied for the cancellation of the former entry; that cancellation proceedings were taken on his behalf on the 19th April, 1918, and that cancellation was carried out on the 15th ultimo last.

You no[illegible] date Mr. Harden thirty days from the 15th August last in which to make entry as applicant for cancellation and it is not understood why you did not post the quarter section at the expiration of the thirty days in view of Mr. Harden's failure to make entry in that time.

It appears that for some reason or other Mr. Harden did not secure entry for the land until some sixty days had elapsed after the former entry was cancelled.

Please furnish a full explanation without delay.

Re Holden Holmes, M.D. of Forty Mile #64.
W.½ 3-7-10 W.4th M. B.O.7231,T.H.198.

Dear Sir:-

Referring to the above Board Order, in paragraph 1. it is recommended that $150.00 be accepted in full settlement of the Seed Grain and Relief liens charged against the above property. In Paragraph 3. it is recommended that upon application of the sum of $96.00 to the credit of the Relief liens, the same be removed from the title of the above described land.

However, on perusing the report dated the 30th September, 1936, it is evidently the intention to release the liens for relief on payment of a total amount of $418.25, of which $158.00 has been paid, and $96.00 is now remitted as the second payment on account, there being a balance to come of $164.25 in connection with relief. As the report and Board Order conflict, would you kindly amend same and return. The Board Order, with copies, is enclosed.

Dear Sir:-

Re: Holden Holmes
Seed Grain and Relief Indebtedness
M.D. Forty Mile #84
Tp. 8-7-10-4

Holden Holmes obtained from the Municipal District of Forty Mile #84 the advances listed hereunder:

Seed Grain	March	19, 1930	$215.50
Relief	"	19, 1930	230.00
	July	21, 1930	80.72
	May	21, 1928	56.50
			582.72

On November 11, 1935 he repaid $10.00 on seed grain account.

With interest to December 31, 1936 the indebtedness is as hereunder shown:-

Seed Grain	Principal	$215.50	
	Interest	243.29	
			$458.79
Relief	Principal	367.22	
	Interest	431.27	
			798.49
			$1257.28

Liens to secure all the advances were registered on [illegible] the Tp. 8-7-10-4 and a lien to secure only the relief advance

registered on N.E. 3-7-10-4.

Recovery proceedings the Municipal District of acquired title to N.E. 3-7-10-4 on January 27,1948.

3-7-10-4 is unpatented Crown land and valueless as the relief advance of $50.00 which alone was made a it.

In 1929, Holden Holmes applied for adjustment of his seed & relief indebtedness, with a view to redemption of N.E. 4.

In 1930 he paid $250. on account of such compromise settle- but the amount required was not settled.

In February 1932, when it appeared that Mr. Holmes would be able for some time to come to supplement the payment of $250.00 a further payment to a total sum which might be accepted in settlement, the sum of $250.00 paid in 1930 was applied on account of the seed grain and relief indebtedness in the following manner:-

Seed Grain	$92.00
Relief	158.00
	$250.00

In 1934 negotiations with a view to settlement were resumed but no further payment was possible.

In April 1936, they were again resumed. It was then suggested that the Municipal District of Forty Mile #64 enter into an agreement to sell N.E. 3-7-10-4 at a reasonable price, the payment of $250.00 made in 1930 on seed grain and relief account to be treated as a part of the initial cash payment.

This suggestion was accepted and the approval of the Minister of Municipal Affairs to sell the land for $800, with a cash payment of $400.00 and the balance by delivery of share of the crop, was obtained.

The Municipal District of Forty Mile #64 has remitted the further sum of $100.00 being the balance of the cash payment.

The purchase price represents the fair sale value of the land.

The claims against it are as follows:-

Costs of sale	$5.00
Taxes	260.64
Seed Grain	458.79
Relief	796.89

T. Lapse, [illegible]

By pro rata distribution amongst the remaining claims of the sum of $795.00, being the surplus of the purchase price over the costs of sale, the sums allotted to seed grain and relief are as follows:-

Seed Grain	$340.25
Relief	415.25
	$755.50

I attach hereto cheque No. 23751 for $150.00 payable to you for application in the following manner:-

on Seed Grain	$ 54.00
on Relief	96.00
	$150.00

Suit under the personal covenant to collect any unpaid balance of the indebtedness from the debtor is barred by the Statute of Limitations. Acceptance in settlement of that indebtedness of the sums allotted thereto by the distribution described above of the purchase price of N.E. 3-9-10-4 will assist a worthy farmer in poor circumstances to reestablish himself.

I therefore recommend, under and by virtue of the provisions of Chapter 58 of the Statutes of Alberta, 1927, and amendments thereto, that upon payment by the Municipal District of Forty Mile #84 from further payments of purchase price of N.E. 3-9-10-4 when collected of further sums totalling $755.50, the undermentioned unpaid balances of the Seed Grain and Relief indebtedness herein be written off as uncollectible both in so far as it affects Holden Holmes's indebtedness to the Municipal District of Forty Mile #84 and that of the Municipal District of the Province of Alberta:-

In 1949, Holden Holmes applied for adjustment of his seed grain and relief indebtedness, with a view to redemption of T.P. 3-7-10-4.

In 1950 he paid $250. on account of such compromise settlement but the amount required was not settled.

In February 1952, when it appeared that Mr. Holmes would be unable for some time to come to supplement the payment of $250.00 by a further payment to a total sum which might be accepted in settlement, the sum of $250.00 paid in 1950 was applied on account of the seed grain and relief indebtedness in the following manner:-

Seed Grain	$92.00
Relief	158.00
	$250.00

In 1954 negotiations with a view to settlement were again resumed. It was then returned but no further payment was possible.

In April 1956, they were again resumed. It was then determined that the Municipal District of Forty Mile #64 enter into an agreement to sell N.E. 3-7-10-4 at a reasonable price, the amount of $250.00 made in 1950 on seed grain and relief account to be treated as a part of the initial cash payment.

This suggestion was accepted and the approval of the Minister of Municipal Affairs to sell the land for $500. with a cash payment of $400.00 and the balance by delivery of shares of the Municipal District of Forty Mile #64 has received.

The purchase price represents the fair sale value of the land which is made up as follows:-

Costs of sale	$8.00
Taxes	360.64
Seed Grain	458.78
Relief	796.58

By pro rata distribution amongst the remaining claims of the sum of $795.00, being the surplus of the purchase price over the costs of sale, the sums allotted to seed grain and relief are as follows:-

Seed Grain	$240.25
Relief	418.28
	$658.53

I attach Loreto cheque No. 22751 for $150.00 payable to you for application in the following manner:-

On Seed Grain	$ 54.00
On Relief	96.00
	$150.00

Suit under the personal covenant to collect any unpaid balance of the indebtedness from the debtor is barred by the Statute of Limitations. Acceptance in settlement of that indebtedness of the sums allotted thereto by the distribution described above of the purchase price of N.W. 3-7-10-4 will assist a worthy farmer in poor circumstances to reestablish himself.

I therefore recommend, under and by virtue of the provisions of Chapter 32 of the Statutes of Alberta, 1937, and amendments thereto, that upon payment by the Municipal District of Forty Mile $54 from further payments of purchase price of N.W. 3-7-10-4 when collected of further sums totalling $256.50, the undermentioned unpaid balances of Seed Grain and Relief indebtedness herein be written off as against the Municipal District of Forty Mile $54 and that of the Relief District of the Province of Alberta:-

Dear Sir:-

Re: Holden Holmes
Seed Grain and Relief indebtedness
M.D. Forty Mile #64
W½ 3-7-10-4

Holden Holmes obtained from the Municipal District of Forty Mile #64 the advances listed hereunder:

Seed Grain	March	19, 1920	$215.50
Relief	"	19, 1920	230.00
	July	21, 1920	80.72
	May	21, 1922	56.50
			$582.72

On November 11, 1925 he repaid $10.00 on seed grain account.

With interest to December 31, 1936 the indebtedness is as hereunder shown:-

Seed Grain	Principal	$215.50	
	Interest	243.29	
			$458.79
Relief	Principal	367.22	
	Interest	431.37	
			$798.59
			$1257.38

Liens to secure all the advances were registered on title to N.W. 3-7-10-4 and a lien to secure only the relief advance

of $ c.50 was registered on S.W. 3-7-10-4. 5615014

By tax recovery proceedings the Municipal District of Forty Mile #64 acquired title to N.W. 3-7-10-4 on January 27,1928.

S.W. 3-7-10-4 is unpatented Crown land and valueless as security for the relief advance of $56.50 which alone was made a charge upon it.

In 1929, Holden Holmes applied for adjustment of his seed grain and relief indebtedness, with a view to redemption of N.W. 3-7-10-4.

In 1930 he paid $250. on account of such compromise settlement but the amount required was not settled.

In February 1932, when it appeared that Mr. Holmes would be unable for some time to come to supplement the payment of $250.00 by a further payment to a total sum which might be accepted in settlement, the sum of $250.00 paid in 1930 was applied on account of the seed grain and relief indebtedness in the following manner:-

Seed Grain	$92.00
Relief	158.00
	$250.00

In 1934 negotiations with a view to settlement were resumed but no further payment was possible.

In April 1936, they were again resumed. It was then suggested that the Municipal District of Forty Mile #64 enter into an agreement to sell N.W. 3-7-10-4 at a reasonable price, the payment of $250.00 made in 1930 on seed grain and relief account to be treated as a part of the initial cash payment.

This suggestion was accepted and the approval of the Minister of Municipal Affairs to sell the land for $800, with a cash payment of $400.00 and the balance by delivery of share of the crop, was obtained.

The Municipal District of Forty Mile #64 has remitted the further sum of $150.00 being the balance of the cash payment.

The purchase price represents the fair sale value of the land.

The claims against it are as follows:-

Costs of sale	$5.00
Taxes	260.64
Seed Grain	458.79
Relief	798.59

3615014

W. Lowe, Esq.,

Relief	418.25
	$658.50

I attach hereto cheque No. 23751 for $150.00 payable to you for application in the following manner:-

BOARD ORDER
No. 11280

Dear Sir:

Re: W½ 3-7-10-W.4th Mer.
Holden Holmes
Joint Relief Advances,
Supplementary to Board Order No.7231

Board Order No. 7231 dated March 17th, 1937, provided that upon application of the sum of Four Hundred and Eighteen dollars and Twenty Five cents ($418.25) to the credit of Joint Relief liens, the account be considered settled in full, and the liens discharged from the title. The recommendation in support of the said Board Order set out that this amount would represent the proceeds of sale of the W½ of 3-7-10-W.4th Mer., which was made by the Municipal District of Forty Mile No. 64 on a time basis. Since that time, the said Municipal District has been dissolved, and the land transferred to the present Municipal District of Forty Mile No. 2.

The Secretary Treasurer of the present Municipal District recently advised that payment in full has been made by the purchaser, and it will be necessary for the Council to issue a clear title.

cont'd ....

In view of the fact that payments previously remitted with respect to this account total Two Hundred and Fifty Four dollars ($254.00) the Secretary Treasurer was advised that payment at this time, of the balance of $164.25 would be sufficient to retire the account in accordance with the provisions of Board Order No. 7231.

A remittance for this amount has now been received, and I would recommend that same be applied as a satisfactory settlement of the account in full. After providing for the application of this payment, I would recommend that the account be adjusted so that it will stand paid in full, and the Joint Relief liens be discharged from the titles to the W½ of 3-7-10-W.4th.

Yours very truly,

S. Charles,
CHIEF COLLECTOR.

Re: Account of Ella Watts
N.E. 31-4-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $147.30 was advanced to Ella Watts on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 147.30	$ 349.71	$ 497.01

The N.E. 31-4-10-W4 was formerly the homestead entry of the debtor on which security the 1919 advance of seed grain was obtained, and there is no record of the lien having ever been registered against the land.

According to an Abstract of Title dated the 24th of April 1953, the land now stands in the name of Henry Ylma of Birdsholm, Alberta, clear of any encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Re: Account of Thos. Qually,
N.W.¼ 33-3-10-W4.

Dear Sir:

During the years 1918, 1919 and 1920 while homesteading the above mentioned land, Mr. Thos. Qually received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,995.37 of which $610.35 is principal and $1,385.02 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, feader and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

I have your letter of Feb. 7 re my
[illegible] claim lien against [illegible] on account to date to be $1995.35 of which $610.35 is
[illegible] and [illegible].

I would like to say at the outset that
I consent to this debt as it now stands in out
of position to the value of the goods received
but [illegible] such a thing as P.F.A.A. at that
time this debt would never have been incurred.
This district is known all over Alberta as a
[illegible] area. I have known these drouth years
to occur as often as three or four years in succession when not even feed could be grown.
Now and then a year in between when
we would rain enough to produce enough to

these bumper years are often as much as

came on this land for over 20 years [illegible]

dry years but I lose two years he was unable
to farm himself having gotten blood poison
in his hand in the spring of 27 and was laid

[illegible] times he had to rent out and recondition [illegible] spare, in [illegible] [illegible] [illegible]

Dear Sir:

Re: N.W. 33-3-10-W.4th

We wish to thank you for your letter of the 13th of February, 1956, in which you have given us very helpful information as to why you believe the seed grain account of your father, Thomas P. Qually, should be reduced. No doubt the Seed Grain Advisory Board will consider your case worthy of sympathetic consideration.

In order to assist you in clearing your title, if you will remit the principal amount of $610.35 we are prepared to recommend to the Board that the accrued interest of $1,385.02 be cancelled. If this amount can not be paid at the present time, it would be agreeable for you to pay it over a period of three or four years. You might, however, advise us if you wish to pay it on an instalment basis.

Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Re: Account of Thomas P. Qually
N.W. 33-3-10 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918, 1919 and 1920 seed grain in the amount of $610.35 was advanced to Thomas P. Qually on the security of the above described land. In 1929 a payment amounting to $60.48 was received and applied to interest. The present standing of this account is:-

Principal	Interest	Total
$ 610.35	$ 1,385.02	$ 1,995.37

In reply to our recent enquiry concerning the Federal indebtedness charged against this land, Alvin P. Qually, Faith, Alberta, on the 13th February, 1956, wrote in part as follows:

"I have your letter of Feb. 1, having regard to seed grain lien against the N.W.¼ 33-3-10 W. 4, which you state to be $1,995.35 of which $610.35 is principal the balance being interest.
I would like to say at the outset that the amount of this debt as it now stands is out of all proportion to the value of the goods received had there been such a thing as P.F.A.A. at that time this debt would never have been incurred.

This district is known all over Alberta as a drouth area. I have known these drouth years to occur as often as three or four years in succession when not even feed could be grown. With now and then a year in between when it would rain enough to produce enough to meet expences and very little more, our so called bumper years are often as much as ten years apart.

The assessed value of this ¼ sec. of land is $620. and that is not very far from its true value cut up as it is by gumbo sloughs and gravel hills. I would like very much to have this old relief debt wiped off as my health is no longer up to par. I am 61 and I do not know how much longer I will be able to carry on, but it would have to be reduced a little more than drastically for me to be able to pay it off, as a

.... 2

matter of fact having regard for all the circumstances of this case, I think the gov't. should be satisfied to get back the principal and forget all about interest charges. Perhaps I should mention that for the year 1955 my operating expenses were in excess of my income. I have documentary evidence to back up this assertion and living expences are not included in those expenses. I will be waiting to hear the decision of the Seed Grain Advisory Board's, regarding this debt."

Information received from the Secretary-Treasurer, of the Rural Municipality of Burlington No. 2, Foremost, Alberta, in 1951 shows that the assessed value of this land was only $620.00.

After negotiations the sum of $610.35 representing the principal has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.
